**Module 2 (Teachscape) and Module 3's (no assessment required) results will not show in GTL My Courses Page. Those are recorded separately.**

**Your IEIN# needs to be listed in your profile in our system for your results to be reported to ISBE.**

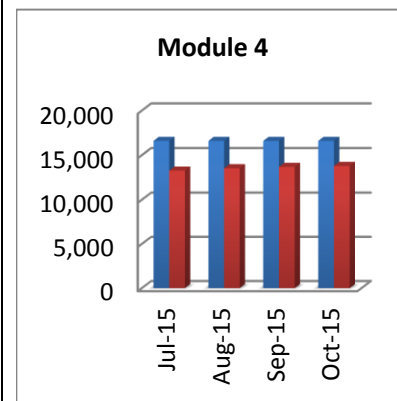

**When in Growth through Learning Illinois do not change your password if given the option it keeps the server from receiving your information. It is okay to change in Teachscape.**

**Each week we send a list of those completing Modules 1-3 and Modules 1-5 to ISBE. ISBE uploads to your ELIS credentials. ISBE uses your IEIN# and your name to match with your ELIS account.**

**Your Training Module must be closed before opening your Assessment Module.**
