

Principal and Teacher Performance Evaluator Training Program

May 15, 2016, Volume 5, Issue 4

Increase in Teacher Evaluators Training

A total **17,256** of teacher evaluators statewide – including **2,456** from the Chicago Public Schools – are registered for teacher performance evaluation training through Growth Through Learning. Of these registrants, **15,708** teacher evaluators statewide have begun training through the Growth Through Learning web portal.

84% Proficient on Module 4
14,349 are proficient on Module 4 and prequalified to move evaluation to reach a final summative rating not including growth.

71% Proficient on Module 5
12,224 are proficient on Module 5 and prequalified to move evaluation to reach a final summative rating including student growth.

Growth in Principal Evaluators in Training

The number of principal evaluators in training has

Once you pass a module's assessment **do not reopen the assessment**. If you have questions, please call **(800) 416-9734** or write the Webmaster at [Webmaster @ Growththroughlearningillinois.org](mailto:webmaster@growththroughlearningillinois.org).

Module 2 (Teachscape) and Module 3's (no assessment required) results will not show in GTL My Courses Page. Those are recorded separately.

Your IEIN# needs to be listed in your profile in our system for your results to be reported to ISBE.

When in Growth through Learning Illinois do not change your password if given the option it keeps the server from receiving your information. It is okay to change in Teachscape.

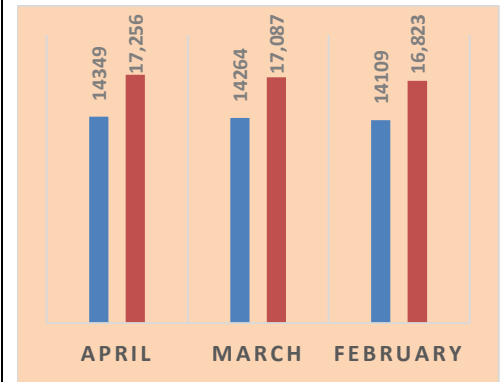

Each week we send a list of those completing Modules 1-3 and Modules 1-5 to ISBE. ISBE uploads to your ELIS credentials.

Your Training Module must be closed before opening your Assessment Module.

Only Growth through Learning can create you an account in Teachscape.

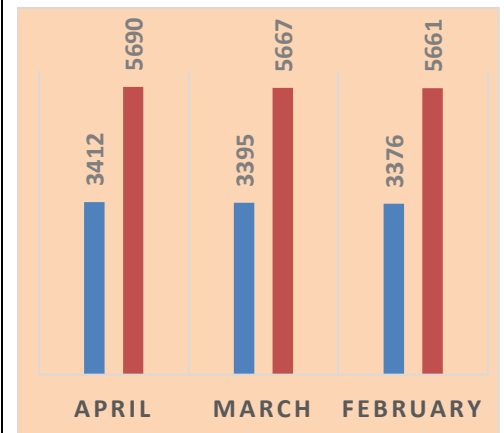

Your name needs to be the same in

Teacher Evaluators Module 4

Month-by-month numbers of teacher evaluators **registered for training** and **demonstrating proficiency on Module 4**

Principal Evaluators: Module 5

Month-by-month numbers of principal evaluators **registered for training** and **demonstrating proficiency on Module 5**
